RECRUITMENT NOTICE

GRANT-FUNDED POSITION

POSITION: Geologist Specialist (Scientist II), Position #00422
LOCATION: Charlottesville, VA

STARTING SALARY: \$40,959 to \$50,000

The Department of Mines, Minerals and Energy, Division of Geology and Mineral Resources is seeking a qualified individual to complete a landslide hazard assessment project in Page County, Virginia. Duties include creating and updating an ArcGIS geodatabase; analyzing terrain using aerial photography and other datasets; field mapping of surficial deposits and landslide features; coordinating the work of contract and temporary employees; producing maps and reports using ArcGIS and Adobe Creative Suite; and providing project results to government agencies and the general public. **Federal funding for this position extends for 12 months from start date.**

TO QUALIFY:

A degree in geological sciences from an accredited college or university, preferred, or a combination of education and experience. Broad knowledge of geology (particularly engineering geology, geomorphology, hydrology, and sedimentology), geologic mapping experience, and experience using ArcGIS are required. The successful candidate will have: strong computer skills; excellent communication and writing skills; the ability to work independently and as a team member; the ability to stoop, crawl, bend, walk for long distances over rough terrain and carry up to 30 pounds; a valid driver's license and excellent driving record.

TO APPLY:

All applications must be submitted on-line through the Commonwealth of Virginia Recruitment Management System <http://jobs.agencies.virginia.gov>.

For additional information: Telephone: (804) 692-3215; TTY/TTD: (800) 828-1120

**ALL APPLICATIONS MUST BE RECEIVED ON-LINE BY 5:00 PM, FRIDAY,
DECEMBER 30, 2011**
